RENT – Can I pay it online

Payments can be made from your bank’s saving or checking account. Payments should be made before the 5th to prevent late fees. You will need to login in order to make payments online.

Reversed (bounced) payments will automatically BLOCK access to your account “temporarily” from making payments online. (2) Reversed payments will “permanently” block access to your account and you will no longer be allowed to make payments online.

Credit card payments can be made without logging in. There will be 3.5% processing fee for ALL credit card payments (except Rental Application payments). The link for credit card payments can be found at www.CR4U4U.com – click in the FOR RENT section – select the credit card payment option at the top of the page.
